mytravelCounts for Gymnastics Counts Discount Guidelines 2008

At a time when most prices are going up, Tracy and I are making every effort to help keep your gymnastics class/team cost and travel cost as low as possible. With that in mind, Tracy and I have started our own fully automated online Travel Agency and it is completely operational on-line now. You can book Flights, Hotels, Rental Cars, Cruises, Vacation Packages, Group Packages, Tours, Golf Tee Times, Sporting Events Tickets like NFL, Baseball, NASCAR, and Concert, Theater and Musical Tickets, Hunting & Fishing Adventures, Bridal Registry, send Flowers, even buy New or Pre-owned Vehicles.

Our Travel website is www.mytravelcounts.com or you can click the mytravelcounts link from our www.gymnasticscounts.com website.

For each booking that you, your family or friends makes on our site, we will give you \$5 off your next session/month of Gymnastics, up to \$20 off per session/month. The \$5 off is per Booking ID. One Booking ID could include hotel, flight and rental car if all booked at the same time.

How to receive your discount on Gymnastics Counts session/monthly fee:

1. Visit www.mytravelcounts.com and book your hotel, rental car, flight or any of the other offerings on our site. This can be yourself, your family or any friends.
2. Fill out the "mytravelCounts Gymnastics Travel Log" for each Booking and turn into Front desk at Gym.
3. Once mytravelCounts receives payment from Vendors then Gymnastics Counts will give you a coupon for the discount to turn in with your next session or month of gymnastics. **Do not** send in a payment for less than your normal gymnastics payment without the coupon. Please understand it can take up to 90 days after travel has been completed for some vendors to pay at which point we will issue the coupon to you to apply to your next gymnastics fee.

We are very excited about this program and would like you to try it out and let us know what you think. We would appreciate a shot at your next vacation, getaway or any of the offerings mentioned above.
